

**SONOMA HOSPITAL OBSERVATIONS
PRIVACY POLICY**

We understand the importance of privacy to our followers and are committed to providing you with choices regarding your privacy. As a result, we are guided by a policy of core practices. This policy tells you about the personal information we gather, how we use it and the choices you have regarding how we handle your personal information.

We collect various information when you submit a Contact Us form or request to be added to our Staying Informed list. This information may include your name, address, phone number and e-mail address, as well as information you may include in your email to us. We use this information to try to provide information to you with respect to our initial report, any updates thereto and other information in connection with Sonoma Valley Hospital, healthcare in Sonoma Valley or other significant healthcare news.

If you prefer not to receive e-mail from us, after having given us your email address by submitting a Contact Us form or requesting to be added to our Staying Informed list, please send us an e-mail letting us know.

We will never share your personal information with any third-party without getting specific permission from you in advance. As a normal course of business, we do not share information with any third-party.

If this policy changes substantially, you will be sent an advance notice.

If you have any questions regarding this policy, please use the Contact Us link on our home page.
